It must have been lust.

A brief candle both ends burning
An endless mile, a bus wheel turning
A friend to share a lonesome time
A handshake and a sip of wine
Say it loud and let it ring
That we're a part of everything
The future, present, and the past
Fly on proud bird you're free at last

-Rolling Stones

If I could save time in a bottle,
The first thing that I'd like to do
Is to save everyday

Just to spend them with you.
-Jim Croce

They are hidden in the most secret
part of us
Lying in comfort
Entangled with feelings
that intertwine within and surround
them.

They are locked deep inside of us
The only key being our thoughts, yet
they,
in turn,

Unlock our thoughts.
Sometimes they bring pleasure
Sometimes they bring pain,
But they are always accompanied by
emotions

That remind us of special feelings
that are indelibly etched in our hearts.
They are little bits of life
that time cannot erase.

They are a part of us, and we are a part
of them.

They are our memories
And they will last forever.

I am perhaps one of those fortunate people who loves his job, teaching, for I think it is one of the most important in this world. Yes, although I am a principal, I still consider myself a teacher. Teaching and understanding are synonymous. One must understand in order to live richly within himself. Ignorance brings only misunderstanding and suspicion. I believe that you are eager to learn - to destroy that ignorance. In this endeavor, be aware of the following:

1. Trust - if you trust others, they will trust you
2. Friendships - establish lasting friendships, for human relationships inspire creative living
3. Competition - compete with yourself, not with others

As you leave Marple Newtown, take full advantage of each experience that you meet. Consequently, as the years pass you should experience a rich life, not a life of decay.

I wish you well. I wish you happiness.

TODAY!

With every rising of the sun
Think of your life as just begun.
The Past has cancelled and buried deep
All yesterdays. There let them sleep.
Concern yourself with but today.
Grasp it, and teach it to obey
Your will and plan. Since time began
Today has been the friend of man.
You and Today! A soul subline
And the great heritage of time.
With God himself to bind the twain
Go forth, brave heart! Attain! Attain!

I've seen all good people turn their heads
each day so satisfied, I'm on my way

—Yes

Young hearts, be free
tonight

Time is on your side

—Rod Stewart

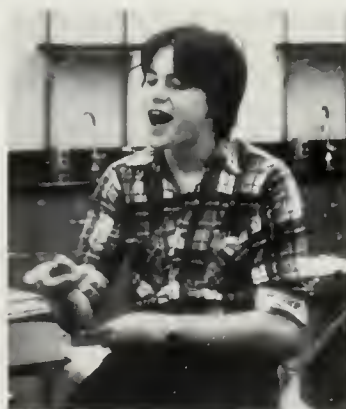

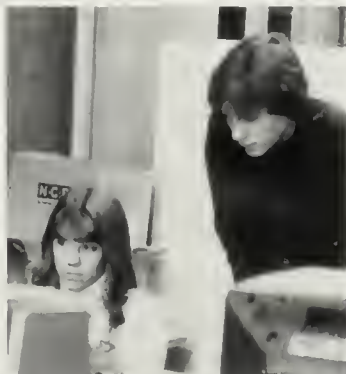

In life, love
Take a chance
See it through
—Moody Blues

Here's to what the future brings
I hope tomorrow you'll find better things
—The Kinks

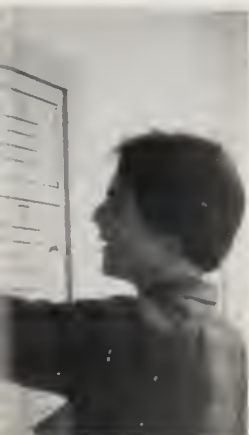

And in the end
The love you take
Is equal to
The love you
make

—John Lennon

I caught a fleeting glimpse
Out of the corner of my eye
I turned to look but it was
gone
I cannot put my finger on it
now
The child is grown
The dream is gone.

Rock & roll ain't noise pollution
-AC/DC

You can't always get what you want
But if you try sometime
You just might find
You get what you need.
-Rolling Stones

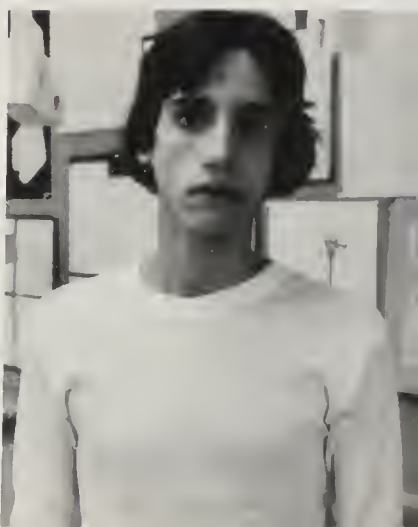

Up in the morning ready for school
 Another day with that golden rule
 Doin' my homework all week long
 Same old exams always get'em wrong
 Teacher don't care she don't understand
 We're just crazy 'bout rock n' roll bands.
 -Angel

Help me if you can I'm feeling down
And I do appreciate you being 'round
Help me get my feet back on the
ground
Won't you please help me?

-The Beatles

Workin' hard to get my fill
Everybody wants a thrill
Payin' anything to roll the dice just one more time
Some will win, and some will lose
Some are born to sing the blues.

Shelley's *A Defence of Poetry* (1804) has been translated by J. B. Boulton (London: Corgi, 1967). Regarding the economy, with my earlier book *Capital & Manhood* (Stanford: Stanford University Press, 1990), see my review in the *Stanford Bulletin* (1991). A. J. A. Simpson's recent edition (Stanford: Stanford University Press, 1993) of Shelley's *Complete Works* (1839) is a wonderful volume devoted to the Shelley community (see page 1) long ago (1795-1800).

A PERFECT DAY

WHEN YOU COME TO THE END OF A PERFECT DAY
AND YOU SIT ALONE WITH YOUR THOUGHT
WHILE THE CHIMES RING OUT WITH A CAROL GAY,
FOR THE JOY THAT THE DAY HAS BROUGHT,
DO YOU THINK WHAT THE END OF A PERFECT DAY
CAN MEAN TO A TIRED HEART
WHEN THE SUN GOES DOWN WITH A FLAMING RAY
AND THE DEAR FRIENDS HAVE TO PART

WELL THIS IS THE END OF A PERFECT DAY
NEAR THE END OF A JOURNEY TOO
BUT IT LEAVES A THOUGHT THAT IS BIG AND STRONG
WITH A WISH THAT IS KIND AND TRUE
FOR MEMRY HAS PAINTED THIS PERFECT DAY
WITH COLORS THAT NEVER FADE
AND WE FIND AT THE END OF A PERFECT DAY
THE SOUL OF A FRIEND WE'VE MADE

CARRIE JACOBSON BOND

JUNIOR PROM

*Tonight's the night we'll make history
 (Kiss me, you fool!)
 And I'll love you 'til
 The stars are blinding all eyes
 And you're with me here tonight...*

Some rain, some shine
We'll make this a world for you
Our memories of yesterday
Will last a lifetime
We'll take the best, forget the rest
And remember we'll find
These are the best of times, kids

Here I am remembering the past,
 so something recent and yet so vast.
 Remembering the times, and the days,
 when we, the class of '82, were together
 in so many ways.
 Thinking and wondering how fast time
 flies, and hearing those echoes in
 some past voice.
 Feeling happy, yet somewhat sad,
 remembering all the friends I once knew.
 So now it's time to say goodbye,
 and hope you succeed in every try.
 God bless us all our separate ways,
 and help us through the passing days.

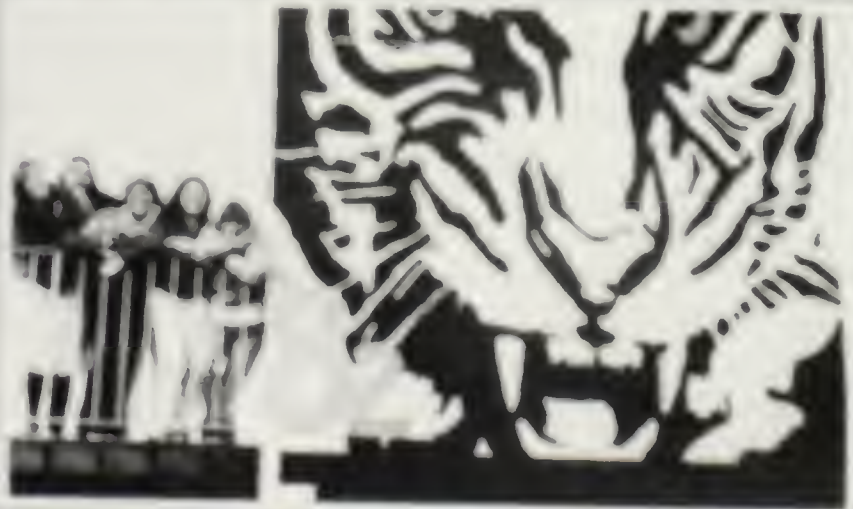

Georgette Farias

No amount of words can express
 The happiness
 I feel
 I've come a long way
 From yesterday
 The road in life
 Can be long and winding
 But with each turn
 There is a new finding
 And every night search a way
 To long and hope for a better day
 No amount of words can express
 The happiness
 I feel
 I've come a long way
 From yesterday
 The seven days that make a week
 In those moments
 What do we seek?
 A smile to laugh, a tear to cry
 And even the years
 Go passing by
 No amount of words can express
 The happiness
 I feel
 I've come a long way
 From yesterday

Going to McDonald's is almost as much a part of school as going to class. You've made us the place to meet, to talk, to have a good time, to celebrate your victories and help forget defeat. You've made McDonald's more than just another place to eat. And that's why, at McDonald's, Newton Square, we wish each of you good health and much success.

JIMMY ANDERSON 1964-1980

Remember the days they say,
Like an unseen wind and rain
It sings of love and grace
As it falls just when it needs
Feeds it when time is tight
Laughing as they ride
Slowly as they come to shore
The center is their gods
From what comes a new dawn
Is it now

Wings of white show up bright
As they sweep the sky
The larkspur with spreads its
Wings and slowly comes to light
And as I look across the sea
I cannot remember that day
Yet you will never die
For this is God's great love
